

## HALF-CENT SALES SURTAX

# CAPITAL

## PROJECT PLAN BY SCHOOL

School Name: Gemini Elementary  
School Age: 47  
Square Footage: 84,743

A prioritized list of capital improvements has been developed based on a comprehensive needs assessment. The highest priority projects will be addressed as revenues are generated from the sales surtax for six years. For our school, the projects are:

### Facility Renewal

- Central Mechanical Plant Renewal
- Cooling and Heating Control System Renewal
- Air Conditioning and Air Distribution Equipment Renewal
- Roofing System Renewal
- Exterior Building Wall Finish System Renewal
- Exterior Door/Window/Louver System Renewal
- Building Water and Sanitary Piping System Renewal
- Electrical Supply System (Transformers, Switchgear and Wiring) Renewal
- Air Supply and Exhaust System Renewal

### District Security

- Perimeter/Entry Fencing and Gates
- Building Access Security Equipment

### Educational Technology

- Technology Equipment Renewal
- Classroom Technology Infrastructure (Electrical, HVAC and Data)
