MEMORANDUM

TO: All Principals

FROM: Heather Price, Assistant Principal 
Brevard Virtual Instruction Programs

RE: *Parent Notification of Virtual School Opportunities*

During the last legislative session, HB 5101 added the following requirement to notify students and parents of virtual instruction opportunities:

1002.45(10) **MARKETING**—At the beginning of each school year, each school district shall provide notification to parents and students about a student's right and choice to participate in a virtual instruction program under this section and in courses offered by the Florida Virtual School under s. 1002.37.

In order to comply with the provision, all schools are asked to include information on their website and/or in one of your first newsletters of the year. Schools may use the information below when creating this message.
