The Special Education PTA of Somers Central School District
invites all parents, teachers and staff to join

About SEPTA:

- SEPTA is the 5th unit of the Somers PTA Council
- SEPTA primarily supports students with special needs from preschool through high school, however, SEPTA events are beneficial to all Somers families
- Popular speakers have included Joel Haber, the Bullying Coach; Rachel's Challenge; Sheryl Frishman, parent advocate, attorney and President ARC
- SEPTA is a network of resources, information, and support for you if your child is receiving speech-language, occupational or physical therapies, support in a resource room, is in a self-contained or inclusion classroom, struggles with homework or socially, receives modifications or accommodations based on his/her special needs

Your membership dollars support the wonderful enhancements SEPTA provides to the special education community.
