Brevard Public Schools is pleased to announce that they are providing **Free** access to the most current version of Microsoft Office for Student Use on home computers or tablet devices.

Each student may download Office on up to 5 devices or 2 tablets free of charge.

This is for home use only. System requirements are Windows 7 or better.

To download and install please go to: <http://GreatNews.brevardschools.org>. The student will login with their student computer login account: studentID#@brevardschools.org and their current password.

The license for the program will remain in effect as long as your child is enrolled in Brevard Public Schools. We trust this will provide extended learning opportunities for your student.
