A copy of your driver's license will be sent to our insurance company for an assessment of our ability to obtain insurance coverage for you. **Employment offers are contingent upon the applicant being insurable with the District's insurance company.**

The necessity to be insurable is dependent on whether driving is a requirement for the position the candidate is being hired for. **If driving is required for the position, and the insurance company cannot insure the candidate, the candidate will not be recommended for hire.**
