

PREPME'S SCHOOL BASED ACT PROGRAM FOR KINGS HIGH SCHOOL

PrepMe and Kings High School partnered this past summer when we started working with a group of students to help prepare them for the PSAT exam. After several months of hard work and due diligence, the students were ready to conquer the PSAT administered a few weeks ago.

The results were very positive from both parents and students. So much so that PrepMe's Institutional Team developed a School Based Program that will provide 50 students the opportunity to prepare for their ACT exam for **5 months** for only **\$100.00** per student.

If you were to purchase PrepMe's retail ACT Program, for your child, the cost would be \$299.00 with 4 months access! With the Kings' school based program, you are saving almost \$200!!!

If you would like your student to have this opportunity, please complete this form and return to Ms. Kahn in the Academic Advising Office with payment by **November 20th**. Our goal is to complete the preparation in time for the June ACT testing offered here at Kings.

Checks are to me made payable to Kings High School.
