March 2010

Dear Parents of an 8th grade student:

You are cordially invited to attend a high school orientation program on Thursday, March 18 at 7:30 p.m. at Somers High School. The program will include presentations to the parents in the auditorium by Irene Perrella, Principal, Dr. Deborah Hardy, Director of Guidance and a parent representative. A student from our Peer Leadership program will also be speaking. This program will introduce you to the high school course of study, graduation requirements, the selection process for courses as well as an overview of the high school program. The ninth grade counselor in the high school, Mrs. Maryellen Zappolo will also be available.

This program will help parents begin to think about the transition of their child to the high school. I look forward to seeing you at the Somers High School Class of 2014 Course of Study Orientation Program on March 18. If you have any questions, please call Dr. Hardy or me at 248-8585 ext. 227 or 206. Please note, in case of inclement weather or a school closing, you will be advised of a new date by phone through Connect Ed and on our website: <http://www.somersschools.org> *This will be the only grade 9 orientation program for 8th grade parents.*

Sincerely,

Irene A. Perrella
