## Al-Rahmah School Receives Middle States Commission Accreditation

The Administration, staff, and students of Al-Rahmah School are proud to announce that the visiting team from the Middle States Association of Colleges and Schools Commission on Elementary Schools has found that our school meets the requirements of all twelve standards for accreditation. All of the areas of operation of our school were thoroughly examined for three full days, from May 10<sup>th</sup> -12<sup>th</sup> by a team of experts. We will insha'Allah receive our official letter and certificate of accreditation in September.

We thank all of our stakeholders, namely ISB Council, Board of Education, Parents, and community members for their continued support.
