1. Membership Requirements- Mr. Alba

Welcome and introduction of members.

We need one more student to be part of the SAC Committee.

Ballot will be given during the Open House in order to approve parents who are wanting to be on the SAC committee.

2. Review Purpose of SAC- Mr. Alba

We viewed the By Laws of the School Advisory Council: See handout.

3. SIP Update- Mr. Alba

Mr. Alba met with all the Dept. Chairs and went over the scores of the EOCs and graduation requirements.

Discussed the SIP at the Dept. Chair meeting.

(Leaderships Team) Teachers needed to create a mission statement. Broke down the adjectives and came up with the Mission Statement.

Mission Statement

Support

Inspire

Motivate

All Administrators, Teachers and Staff know what the mission statement is at Viera High School.

How can we support, inspire and motivate our students and community of Viera High School?

4. Advanced ED. Accreditation- Mr. Alba

Every 5 years the Advanced Ed. Accreditation team come out to see what we are doing.

Teachers are creating a self-reflection to see the teachers' views.

A survey will be given out by the Advanced Ed. Accreditation board for the students, parents and teachers to take and be shown as evidence.

Parents- 20% participation

Students- 40% participation

Faculty- 60% participation

Suggestion with Surveying:

*Have the band help out on Fridays in order to help to have parents take the surveys.

*Hard copies of the survey in order for the parents and students to fill out the surveys.

5. Open House- Mr. Alba

Sept. 1st

10 minutes per class period for parents to see their students' classes.

6. SAC Budget- Mr. Alba

We have a little over \$6,000 this year.

We funded last year:

Mini grants for teachers, computers, security cameras equipment, plagiarism software

(Turnitin.com) Mr. Alba cannot justify it this year with the amount of teachers who are using the plagiarism software.

We need to have a purpose for the money for this year. What is the need for this school year?

We are having this meeting in order to have our Red House Award. We need 10 meetings in a year.

Friday is our Black out game, Aug. 28, 2015

Friday morning spirit

Hawk Nation started at the same time as the Cheerleaders so it was hard to hear. Going to work on the communication.

Missing 2 speakers at the top of the scoreboard. Speakers were taken down and shipped out and they are not working, so Viera High needs new speakers. The District is going to pay for new speakers.

AP Diploma: Next year we should be able to gain that distinction.

Minutes from May 2015: Voted and approved with corrections of beginning time of 3:51PM, end time 4:49PM and two spelling errors.

Parking: Discussion of a way to have a second entrance.
Concern of traffic pattern after school.

Meeting Ends: 4:46PM Motion to end the meeting second Approved.
