Parent Guidelines for Medication Rules – to be given to Parent/Guardian when they fill out parent permission form for medication administration.

1. Parent Permission forms are to be completed for ALL medication to be given at school.
2. All medication coming to the school must be in the original container with the manufacturer / pharmacy label in place. This includes all over-the-counter medications.
3. Over-the-counter medication can only remain at school for 10 days. If a longer time period is needed then written physicians authorization is required.
4. Clinic staff will administer over-the-counter medication as directed by manufacturer label. Any changes in administration must have written physician's approval.
5. Please do not send loose medication (cough drops, pills, etc.) to school in plastic bags. Clinic staff will be unable to administer these medications to your child.
6. Clinic staff will not give a medication if the container label has been altered in any way.
7. When completing Parent Permission forms, please make sure that your instructions match the label on the medication container or the medication will not be given.
8. **PLEASE DO NOT ALLOW YOUR CHILD TO TRANSPORT MEDICATION TO AND FROM SCHOOL** – This recommendation is for your legal safety.
9. All medication will be counted upon arrival at school. A second signature will be required to verify a correct count.
