Name: _____

Tribe/Grade: _____

The Jefferson Awards Foundation is one of the country's oldest service organizations and is committed to tapping into the incredible capacity and spirit of Americans while channeling the power of public service. The JAF believes service inspires passion in individuals and lasting solutions in communities and the nation.

Launched in 2006 by the JAF, the program “Students In Action” develops high school students into community leaders. Currently active in 300 high schools in communities across the U.S., the program encourages students to positively impact their schools, communities, and world. They elevate the stories of America’s best citizens, and we inspire all to take greater action by awarding members of the community for the great work they have done. Edgewood’s branch of SIA has a goal to recognize and congratulate fellow students who are striding to create a lasting difference in our community. By filling out this form, you will be nominated for a prestigious Jefferson Award to be recognized for the work you have done. Please note the submission of this form does not guarantee you to receive a Jefferson award and further questioning may be requested upon nomination.
