

Dress Down Rules

Tennis Shoes/School Shoes only may be worn

(No boots, sandals, crocs, flip flops, boat shoes)

Appropriate Length Shorts Permitted

(Appropriate Length Shorts mean that when your arms are down at your side with your palms facing your body, the shorts are longer than the longest finger. Shorts must be worn on the waist – not hip. That also means that Capri's, skirts, and or shorts of the same length are acceptable.)

Students that do not abide by the rules will forfeit participation in future events.
