ORIENTATION / EXPLORATION - Grades 7 & 8

\$5.00 per semester, \$2.50 per nine weeks

Course Number	Program Area	Course Titles
8200520	Business Education	Computer Applications in Business 1
8200210	Business Education	Computer Applications in Business 2
8207310	Business Education	Digital Information Technology
8209300	Family & Consumer Science	Careers in Fashion Design
8809200	Family & Consumer Science	Fundamentals of Culinary Careers
8600030	Technology Education	Exploration of Communications Technology
8600040	Technology Education	Exploration of Production Technology
8600020	Technology Education	Exploring Technology
8130300	Technology Education	Fundamentals of Architecture & Construction
8600060	Technology Education	Exploration of Engineering Technology

\$5.00 per semester for any high school course in the program

Program Number	Program Area	Program Titles
8302100	Business Technology Education	Accounting Applications
8212500	Business Technology Education	Administrative Office Specialist
8209600	Business Technology Education	Digital Design
8201200	Business Technology Education	Digital Media / MultiMedia Design
8208100	Business Technology Education	Game / Simulation / Animation Audio / Visual Design
8216100	Business Technology Education	International Business
8212300	Business Technology Education	Medical Administrative Specialist
9001400	Business Technology Education	Technology Support Services
9007500	Business Technology Education	Web Application Development & Programming
9001100	Business Technology Education	Web Development
8417140	Health Sciences Education	Dental Aide
8417170	Health Sciences Education	Emergency Medical Responder
8417000	Health Sciences Education	Health and Wellness
8723000	Industrial Education	A/C Refrigeration and Heating
8506400	Family and Consumer Science	Fashion Technology and Design Services
8101100	Industrial Education	Architectural Drafting Secondary
9200100	Industrial Education	Automation & Production Technology
8709000	Industrial Education	Automotive Collision Repair and Refinishing
9504100	Industrial Education	Automotive Maintenance & Light Repair
8720300	Industrial Education	Building Construction Technologies
8725000	Industrial Education	Drafting
9504200	Industrial Education	Outboard Marine Service Technology
8772100	Industrial Education	Television Production
8815100	Marketing Education	Finance
8845100	Hospitality and Tourism	Hospitality and Tourism Management
9200500	Marketing Education	Marketing, Management and Entrepreneurial Principles
8007300	Public Service Education	Environmental Water & Reclamation Technology
8401100	Technology Education	Applied Engineering Technology
9410100	Technology Education	Applied Robotics
9400300	Technology Education	Engineering Pathways (PLTW)
8600200	Technology Education	Geospatial/Geographic Information Systems (GIS) Technology
8601100	Technology Education	Materials & Processes Technology (Aviation Tech Program)
8401000	Technology Education	Technical Design

\$10.00 per semester for any high school course in the program

Program Number	Program Area	Program Titles
8800500	Family and Consumer Science	Culinary Arts
8500395	Family and Consumer Science	Food Science Safety and Technology
8500355	Family and Consumer Science	Nutrition and Wellness
8506500	Family and Consumer Science	Interior Design Services
8500390	Family and Consumer Science	Principles of Food
