Indialantic Dads is a support group for Indialantic Elementary School that is sanctioned by the Brevard County School Board and the Teachers at Indialantic Elementary. We are the "Dads" of the students who attend school here. Our mission is to help make a difference in our children's education by:

- Helping to provide hands-on work to do tasks that simply are not getting done because of budget cuts or backlogs in the maintenance department: painting, cleaning, repairing, etc.
- Helping the teachers acquire the things they need that the current budget will not allow. This includes items like supplies, equipment, or special purchases that are frequently either cut out or reduced to a level that is inadequate.
- Volunteering at school events to be a visible participant or role model for our children.

There is a desperate need for a very wide range of causes for the current and coming school year. We are asking for donations to help our efforts. Please donate whatever you can. Your children are depending on you.

- 100% of these donations are used for Indialantic Elementary.
- 100% of the funds will be distributed this school year to teachers across grade levels and enrichment programs.
- Donations are not tax-deductible. We're keeping it simple to get the proceeds to teachers quickly and easily.
