

# Attention 8th Grade Parents!

You have an opportunity to do something special for your student in the 2011/2012 yearbook! Eighth grade parents are able to purchase a piece of the yearbook and leave a special message. Families have the opportunity to purchase a  $\frac{1}{4}$  page or  $\frac{1}{2}$  page in the yearbook and insert special pictures of your student throughout the years and a special message. Each quarter of a page costs \$25.00 and half pages cost \$45.00. Space and time is limited. Orders, with the message and pictures, are due by **February 1<sup>st</sup>**.

Here is an example to give  
you some ideas!
