

Eagle's Landing - After School Enrichment Program

IHM Catholic School Mission

Realizing that each child is uniquely gifted, we, Immaculate Heart of Mary Catholic School, nurture a spirited supportive environment with high academic standards empowering our students, through the teachings of Jesus, to further seek knowledge, gain wisdom and live the faith!

Eagle's Landing Purpose

Our goal is to provide quality, affordable after school care to families within our Catholic school community. Eagle's Landing After School Enrichment Program will address all areas of growth and development for children in Kindergarten through Eighth Grade. A daily schedule will focus on strengthening the physical, mental, social-emotional, and spiritual aspects that are fundamental to each child's development. By using a child-centered philosophy, we hope to provide afterschool care that addresses the whole child and provides opportunities for our students to excel even further in academics, friendships, the arts, and beyond.
