PRACTICE RECORD

Practice Records are due on **Wednesday** each week on this form only and will be returned by Friday. Parent SIGNATURE is required for full credit, initials will not be accepted. The total number of minutes per week will equal your weekly participation grade (20% of your overall grade). Example, 85 minutes of practice for the week will earn an 85% participation grade for the week; 100 minutes will earn a 100% participation grade. Time spent over 100 minutes will not reflect in your grade, but will more importantly help the band, as the more you as an individual practice the better we do as a team.
