Building Character in Education

October

2011

Dear Patrons and Students,

The excitement is building as we anticipate moving into the new Cafeteria Complex. The new furniture was delivered September 23rd and the cafeteria staff trained on the new kitchen equipment the last week of September. The new septic system will be in place and everything completed on it by the first week of October. Everyone please be prepared for a bit of confusion and a short period of adjustment as we make this first move. This will be like moving into a new house. It will take a little time to find everything and then buy those last minute items we did not realize would be needed.

Most of the cement has been poured and the asphalt will soon be put in place. This will cause some confusion but it should be held at a minimum. We are also in hopes the new High School area will be completed by the start of the basketball season. The Green and White games will be October 13th and the first home game will be October 21st against Shirley.

The construction at Elementary is coming along as well. The walls are all up and the brickwork is done. The rockwork is moving quickly as well. The interior walls and railings have been painted. Some repair on the flat roof and completion of the new roofing will be completed soon.

Welcome to our newest Board Member, Mrs. Terrell (Rainey) Jones a 1991 graduate of Wonderview High School.

The Annual Report to the Public will be held at 6:00 PM October 20th in the new Cafeteria Complex. The regular monthly Board meeting will follow at 7:00 PM.

J. Carroll Purtle, Superintendent

“Our greatest glory is not in never failing,
But in rising every time we fall.”

--Ralph Waldo Emerson
