Dear Parents,

Thank you to those families who have been diligent in keeping the family car sign visibly hung in your vehicle.

For your child's safety, the family sign must be visible until you leave the premises. It would be best if you would hang the sign on a pant hanger and hang it from the rearview mirror. *All cars are required to have a sign, even if we know you.* The teachers alter where they are stationed at dismissal, and not all of them will know you, your parents or whomever picks up your child(ren) from school. Also, in inclement weather the signs are needed even more.

Car signs that have slipped way down in the dashboard are not visible. If you would, please put it on a hangar.

If you do not have a green sign with your family name on it, need an additional sign, and/or need a pant hangar, please contact the school office. Responding to this email would be the most efficient way of communicating what is needed.

**As of Tuesday, October 25<sup>th</sup>**, if you do not have the family car sign, you will be asked to park your car and come to the school door to show identification (*even if we know you*).

In the case you have someone picking up your child(ren) that does not have the car sign, you will need to *call the school office in advance* and provide the following information:

- Full name of who is picking up your child(ren) at dismissal
- Relationship to your child(ren)
- Make & model of the car
- Have them be prepared to show identification to the faculty/staff member who is curbside with your child(ren).

Thank you in advance for your cooperation with this dismissal policy. *It is in place for the safety of our child(ren).*

Peace be with you,

Julie A. Onacila  
Principal
