

2016-2017 Brevard County Public Title I Schools

SATURN ELEMENTARY SCHOOL School-Parent-Student Compact for Learning

District and School-based Title I Parent Involvement Programs in Brevard County will strive to **BUILD RELATIONSHIPS** in order to create real family engagement for every child, every family, every teacher, every day.

This compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement. By linking learning, the school and parents will build and develop a partnership that will help our students achieve the state's high standards for the school year.

We will <u>Support</u> learning in the following ways...	Staff Responsibilities	Parent Responsibilities	Student Responsibilities
Rigorous Academics	I will come to school prepared to give my students and their families 100% every day and provide them with the highest instruction possible. I will strive to reach each child's highest academic potential.	I will provide my child with the necessary supplies, a suitable time and place for them to do their homework, and see to it that they attend school regularly and are on time. I will be an example for my child by continuing to learn as an adult.	I will come to school prepared to learn, have all my supplies, follow the school's behavior plan and dress code, complete my homework on time, be punctual to class and be responsible for my own learning.
Monitoring Student Progress	I will keep my students and their parents informed of their child's progress. I will post grades regularly through the Edline website. I will also keep parents up to date on school-wide information, including, but not limited to the Florida standards their child is being taught.	I will review and sign my student's agenda every day. I will devote time each day to ask my child about their day. I will monitor Edline to view their progress and grades on a regular basis. If I have any questions I will contact my child's teacher first.	I will keep my data notebook up to date and share its contents with my parents. I will strive to improve my work and attitude by setting high goals for myself.
Partnership: Be Involved	I will strive to create positive relationship with all Saturn families. I will be available for conferences upon request.	I will be involved in my child's education by keeping an open line of communication between school and home. I will volunteer when possible and foster a sense of pride in Saturn.	I will strive to be an active participant in my classroom as well as other areas around my school. I will be willing to join in extracurricular activities when possible. I will be proud to be a member of Saturn Elementary School.
Communication: Stay Informed	I will keep an open line of communication between myself, my students and their families. I will utilize student agendas to send home information as well as consistently update Edline with students' grades and class information.	I will keep the school informed regarding transportation, contact numbers and other pertinent information by reviewing my child's agenda each day. I will keep an open line of communication between home and school.	I will communicate with my family on the events and occurrences of my day at school on a daily basis. I will also keep an open line of communication with my teacher so that they may help me reach my highest potential.
Learning Environment	I will demonstrate a positive attitude in the classroom so that my students may reach their highest potential. My lessons will demonstrate accuracy and attention to the Florida standards. I will have an open door policy for my families.	I will foster the attitude that education is important. I will discuss the student handbook with my child regarding the expectations for the school, classroom and the bus.	I will respect myself, others and my school by using manners and doing what is asked of me the first time directions are given. I will take an active role in my education by participating in class and following the classroom rules and procedures at all times.
