Character Education

"Character education helps schools create a safe, caring and inclusive learning environment for every student and supports academic development. It fosters qualities that will help students be successful as citizens, in the workplace, and with the academic curriculum. It lays the foundation to help students be successful in all of the goals we have for our public schools. It is the common denominator that will help schools reach all of their goals! CHARACTER EDUCATION IS NOT ONE MORE THING ON THE PLATE! IT IS THE PLATE!!!" http://www.usoe.k12.ut.us/curr/char_ed/
