'SHOP 4 HIGHER EDUCATION' PROGRAM

At Foodland Stores (2/8) – (3/20) - annual program open to all public and private high schools statewide. Shop at Foodland and designate Kalani High to receive matching Maika`i Points during the 6 weeks of the program. The more Maika`i Points a school earns, the more scholarships it could receive! Through the support of our community last year KHS received several \$2,000 scholarships for graduating seniors. Help KHS 'score' enough Maika`I points again this year to support our seniors going-to-college! Just say "Kalani High School" to the cashiers at your favorite Foodland Stores.
