Band Fundraiser

We have kicked off our fundraising campaign for new marching band uniforms. We have a needed goal of \$67,500 to purchase 150 new band uniforms to keep our kids safe. Our current uniforms are heavy wool material that impedes our kids ability to perform well in the Florida heat. Most importantly they are unsafe. This is why you see the band performing often in shorts and t-shirts in the early part of our season until it cools down.

Would you please forward our Go Fund Me link to anyone you know? If you are able to donate as well that is great! Please consider sharing our link on your personal social media as well. Thank you in advance for supporting our students in the band. It's an honor to perform for our school each week.
