Kindergarten is the initial point of entry into the public school system. Children must be five (5) years old on or before August 31, 2012 to register. If the child's fifth birth date falls on or after September 1, 2012, the child is **not** eligible to enroll.

A child who has passed the fourth anniversary of his/her birth on or before April 16th and is presented for enrollment no later than the end of the first month of the school year, may enter kindergarten if the principal of the school finds, based on information submitted by the child's parent or guardian, that the child is gifted and that the child has the maturity to justify admission to the school. The child must meet requirements for early admission to kindergarten.

If you have questions concerning kindergarten registration, please call the local school or the Person County Board of Education at (336) 599-2191. Ask for Marionette Jeffers, Executive Director of Program Services Ext. 119. Registration packets and requests for early admission to kindergarten may be picked up at the local school or at 304 S. Morgan Street, Room 25. See Shirley Paylor. Information may also be accessed under the parent links section of the Person County School's website.
