

“Coaches vs. Cancer” is a nationwide collaboration between the American Cancer Society and the National Association of Basketball Coaches that empowers basketball coaches, their teams, and local communities to make a difference in the fight against cancer. More than 100 high school coaches participate in the program, which has raised over \$50 million since its inception.

St. Mary High School and its basketball programs will be participating in the annual Suits and Sneakers Awareness Weekend. During that weekend, coaches and coaching staffs nationwide will wear sneakers with their suits while coaching games to remind basketball audiences about the many ways people can reduce their risk of cancer. St. Mary's match-up against the 3rd-district rival Mayfield Cardinals on January 27, 2012 will be our showcase Suits and Sneakers game.

For this night, game admission will be increased \$1.00 per person. This increase will also extend to those persons with a St. Mary “All Sports Pass” who will be asked to pay \$1.00 when entering. The money generated by the gate increase, as well as donations collected during the games will be given to the American Cancer Society.

Thank you for your support of St. Mary basketball and the Suits and Sneakers Challenge.
