Together, we can make a difference!

2. SAVE club members will come around every Thursday to get the count from the MM teacher.

3. SAVE club members will compile results to determine weekly winners.

4. The overall winning Morning Meeting with the most phone books by Thursday, March 8th, **will earn breakfast** on Tuesday, March 20th.

Note: Phone books that are dropped off by parents or other members of our community will not be counted in the Morning Meeting contest.
