

## MILTON PUBLIC SCHOOLS

### **SOCIAL/EMOTIONAL LEARNING CURRICULUM**

***The goal of the Milton Public Schools Social/Emotional Learning (SEL) curriculum is:***

1. To develop the socio-emotional and interpersonal skills of all students
2. To establish district-wide norms of behavior and a common vocabulary that can travel with students as they progress through the MPS.

Borrowing from a number of leading bullying prevention and socio-emotional skill building curricula, a team of teachers representing each of the six Milton Public Schools\*, met during the summer and created a series of highly engaging, media-based bullying prevention lessons focusing on four themes: **Compassion, Honesty, Respect, and Responsibility**. Lessons are age appropriate and tied to the [Massachusetts State Curriculum Frameworks](#).

Lessons were designed with parent and community involvement in mind. To view a lesson and any accompanying materials, click on the lesson that corresponds to your child's grade. Be sure to explore the recommended follow-up activities created for parents to do at home with their children.
