Important Notice For 6th Grade Parents!

Florida State Law requires that all students receive a Tdap booster BEFORE entering 7th grade! Because this immunization is not required of elementary students, it is NOT a part of your child's school health records.

DON'T DELAY

Students without this immunization will be turned away during middle school registration!

Bike to School Day

Bike to School Day will be Wednesday, May 10th. Please ride safely, and remember to wear your helmet!

Medication Pick Up

As we end the school year, it is important for everyone to remember that all medication in the clinic must be picked up prior to NOON on Wednesday, May 24th. All medication still in the clinic after that time will be disposed of.

Pre-Registration Forms

Pre-registration forms, and Parent Input forms were sent home on April 25th. If you have not yet done so, please complete these forms, and send them back to your child's teacher ASAP. These forms are used to help us plan classes for the 2017–2018 school year.

Last Day of Class!!!

Please remember that the last day of class for the 2016–2017 school year is Wednesday, May 24th, and plan accordingly! Also, please remember that the last 3 days of the school year are early release days.

Donorschoose.org

Students in 5th grade classes are working to bring some exciting things to our school. Could you imagine a gigantic map of the United States on the blacktop? Stand-up desks for students to use? Illustrated biographies of famous Americans? Kindness benches to spark new friendships? These are just a few of the ideas students want to bring to Enterprise! Please check out www.donorschoose.org to see what is happening at Enterprise Elementary.
