Preparing God's people...

K-4th Reading Store Needs Merchandise!

We are always looking for fun, inexpensive items to help stock our WPP Reading Store. Our last store for this year is scheduled for tomorrow, May 18. We could use new, fun erasers, pencils, toys from McDonald's, new or gently-used books-especially for the older

readers in the group (3rd-6th grade reading level) or any other cool items you might have laying around. In the past, we've received donations of Beanie Babies, leftover items from carnivals and birthday parties, etc. We want the reading store to be fun

for the kids with many items to choose from. So, if you can, HELP! You may drop your donated items in the WPP school office any time before May 18.

Thank you!

End of Year Survey

Each year we survey parents in our program to learn how well they are satisfied with program services. Please take a few minutes to share your thoughts and feelings about our K-8 program. Your comments

will help us make improvements to the existing program and make plans for new program initiatives, if needed. If you could include in one of the comment sections your grade(s) and campus, that would be very

helpful! Thank you for sharing your input and suggestions.
