## STUDENT/PARENT CELL PHONE OR WIRELESS COMMUNICATION DEVICE (WCD) CONTRACT

Should a student not have this signed contract on file, he/she will lose the opportunity for a warning and have the cell phone/WCD privilege revoked for the remainder of the school year.

### Maintaining the integrity of the learning environment is the top priority

- Students will be permitted to have cell phones/WCD in their possession throughout the school day. However, cell phone/WCD use will only be permitted before the first bell and after the last bell of the day.
- Students MUST have their cell phones/WCD turned off during the school day and while being transported on the school bus; cell phones/WCD shall cause no disruption.
- During the expressed time when cell phones/WCD are allowed to be on and in use, students are encouraged to keep their phone on a "silent" mode, should that telephone option be available.
- Cell phones/WCD will not be visible during the school day.
- The only exception to the above policies is as follows: Technology including, but not limited to, laptop computers, cell phones, WCD, and personal digital assistants intended and actually used for instructional purposes will be permitted, with the teacher's permission and supervision and the permission of the administrator.

**Should a student be observed using a cell phone/WCD, or a cell phone/WCD rings during the school day, discipline action may include but is not limited to a dean's referral and confiscation of the phone.** Additionally, student abuse of this policy will result in the student losing the privilege to be able to carry a cell phone/WCD permanently, or for a period of time as determined by an administrator.

- Student behavior concerning cell phones/WCD must be consistent with the School Board Policy 5500.
- Student cell phones/WCD ringing or vibrating in class will result in confiscation of the phone and disciplinary action.
- Should confiscation occur the phone will only be returned when retrieved by a parent or guardian.

**During times of testing and other student evaluations, teachers may request that students remove their cell phone/WCD from their possession, either by returning to a locker or placing under a desk, reducing the possibility of compromised test security.**

**Fire drills, assemblies, or other school evacuations are considered cell phone/WCD blackouts. During such contingencies, there will be absolute ZERO TOLERANCE on cell phone/WCD use.**

## Cloud Collaboration Permission (Grades 7-12)

Student's Full Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

Current School Site: \_\_\_\_\_

Brevard Public Schools is pleased to offer an innovative cloud technology solution to our students and staff. This service includes ad-free, secure and highly engaging web applications that help teachers and students communicate and collaborate with one another.

Our District strives to foster a culture of collaboration and an atmosphere of engagement as we prepare students to thrive in a world that is becoming increasingly connected by the Internet. While we remain committed to the high standards of Florida's curriculum, we also believe that school districts are implicitly and explicitly obligated to introduce 21st Century Skills within the context of those standards. This initiative strengthens Brevard's ability to meet that obligation.

With this cloud-based initiative for Education, students and teachers will have \*open, authentic access to and from the internet for the following tools:

- Online Docs—Online documents, spreadsheets, presentations and forms.
- Web Sites—Individual and team websites with videos, images, gadgets, and documents integration.
- E-mail account—webmail service accounts that are intended to be used for instructional purposes.

Video sharing will only be available to Brevard County School Board Staff and Students.

Brevard's Cloud-based Apps will have several layers of security designed to protect students and enforce our Student Acceptable Use Policy (7540.03). While it is impossible to guarantee a foolproof system, our District's system administrators will have full authority and ability to monitor content, investigate concerns and, should the need arise, disable accounts for inappropriate use.

We hope that parents are as excited as we are about bringing these engaging new tools into Brevard's classrooms and into the hands of our teachers and students. Please indicate your approval below. Should you choose to deny permission, we would be interested to know your concerns so that we can either satisfy them or work to find an alternative solution.

Please choose ONE of the following:

- I grant permission for my child to receive an \*open and authentic Cloud Collaboration Account and authorize my child to post work samples on the Internet for instructional purposes.
- I do not want my child to be given a Cloud Collaboration Account.

\*open and authentic access is not limited to Brevard County School Board network users.

This approval will stay in effect until a written change is submitted by the parent/guardian.
