

June 12th – June 15th

Monday Message

Hello Seaford families!

Last week of school!!! It is hard to believe it is over already! I can still remember the first day of school like it was yesterday. I am already excited about next school year. We will all miss our 5th graders. Good luck to them at middle school!

Thank you for a wonderful field day! Thank you to ALL of the volunteers and staff for helping to put on this event. A special thank you to Ms. Abrahamson for her preparation and work! Thank you to our PTA for the refreshing Kona treat!

Don't forget that we have 1:00 dismissals on Tuesday-Thursday of this week. It is a tradition at SES for our staff to wave good bye to all the departing buses/daycare vans at the last day of school dismissal.

Report Cards and SOL score reports will go home with your student on Thursday. Please keep your copy of the report card if you need it for sports. We do not have copies of report cards. Grade data is kept in Aspen for academic history.

PTA will be piloting a school supply kit. A flier will come home this week that details the option for you to purchase an entire kit that contains your student's grade level school supplies. This is completely optional, but could be a time saver for parents. Purchased supply kits will be delivered to the school the last week in August and delivered to the teacher on Open House day.

Dates: Kindergarten Round Up—August 25th at 1:00
Open House—August 31st from 11:00-12:30

Due to the constant changes of staff and grade levels through the end of August, teacher assignments will not be mailed next year. We will notify families of teacher assignments at Open House or with a Connect 5 phone call the morning of Open House.

Yearbooks:

We have a limited amount of yearbooks for sale. They will go on sale on MONDAY, June 12th in the office. The cost is \$20.00, **CASH** only.

Message from our school nurse:

Medication Pick Up:

If you have provided medication for your student this school year, please plan on picking it up by June 15th. In accordance with YCSD guidelines, any medication not picked up by 1:05 p.m. on **Thursday June 15th** will be destroyed. Students are not allowed to take the medication home; it must be picked up by a parent or guardian. If you have any questions, please call the school nurse at [898-0375](tel:898-0375).

Rising 6th Graders Vaccination:

The Tdap booster vaccination is required to enter 6th grade. Please provide a copy of this immunization to your school nurse so that Aspen can be updated. If the vaccination is received before the end of school, I can update Aspen here at SES. If the vaccination is completed over summer vacation, the record will need to be provided to the YMS nurse before the beginning of school. Please call if you have any questions regarding this vaccination ([898-0375](tel:898-0375)).

If you have not yet responded to our form asking about enrollment for next year, please call the office to let us know if you are moving or not returning to SES in the fall.

If you see new neighbors move in with children or know of any rising kindergarten students, or new students, please encourage them to call the school to make an appointment to register as soon as possible to help with our staffing needs.

Out of Zone parents: the yearly Out of Zone applications are available starting March 1st. You **MUST** fill out an Out of Zone application **EACH** year for approval at the school board office. The deadline to turn in the Out of Zone application is **JULY 1st**. This deadline is new this year. In addition, rising Kindergarten Out of Zone applications are due by July 1st but will not be considered until after August 15th. This is to allow for schools to know their kindergarten enrollment before Out of Zone approvals are considered. These applications are available at any school and at the YCSD school board office.
