## **ATTENTION ALL STUDENTS TAKING ADVANCED ENGLISH AND/OR AP COURSES NEXT SCHOOL YEAR**

Advanced English and AP Summer Assignments have been posted on the YCSD webpage ([http://yorkcountyschools.org/parents/studentInfo/summer\\_readingLists.aspx](http://yorkcountyschools.org/parents/studentInfo/summer_readingLists.aspx)) and the YHS homepage (<http://www.edline.net/pages/YHS>). Completed assignments are due the first day of school.

## **REGULAR ENGLISH SUMMER READING**

Please click the link below to access the suggested Regular English Summer Reading List for grades 9-12. This list provides a starting point for selecting an age-appropriate book of the student's choosing. We encourage parents/guardians to take an active role in helping their students to select a book that best fits the student/family. Please consider purchasing a book for your student to keep for easier access.

The school library will be open during July and the librarian can assist your students in selecting a book. However, library books are only available for checkout to Summer Academy students. There are five titles available for checkout from the English Department which will be distributed via the library. Those titles are: *Everything, Everything*, *All-American Boys*, *An Ember in the Ashes*, *Out of the Easy*, and *We Were Liars*. Quantities are limited, and it is first-come, first served. QR codes for selecting a book and for suggested titles are posted on school walls. Please take advantage of them. We hope that a summer novel will encourage reading as a lifelong skill.
