

Nixon Academy's

Thank you for volunteering at Nixon Academy to set up a trunk at our **2017** Trunk-or-Treat on **Thursday, October 26th, 2017**. Our event will take place from 6:00 pm - 7:30 pm. Here is a little information about that night...

1. Set up time starts at 4:30 pm. You may come a little later but please be **in the lot by 5:15 pm**. We want to make sure everyone is parked, decorated, stocked with treats and ready to go by 5:45 pm. (This will give you 15 minutes to eat, stretch, and relax before the event starts).
2. Decorate your trunk or the back of your truck (please keep it kid friendly...not too scary)...be creative...hint hint...there may be a prize!
3. We encourage you to have a game for the kids to get their treat (example: throw the bean bag in the bucket and win your treat, ping-pong ball toss, etc). You don't have to have a game but the kids love it!
 - **If you haven't done so already, please be sure to let us know if you plan to have a GAME at your trunk or CANDY only.**
4. Don't forget to bring a portable chair so you and/or your helpers (if you have any) can sit by your trunk.
5. There will be a few people coming around to refill your treats throughout the night.
6. Clean up will be from 7:30 pm - 8:30 pm. Can you please help keep our children's school clean by picking up the trash around your car...this will make the clean up faster. As soon as your area is clean you may leave!
7. Don't forget to dress up and most of all...**HAVE FUN!!!!**

If you have any questions please contact me. We still have space for more trunks so if you know anyone who would like to set one up, please let me know ASAP!

Thanks Again!
