

Dear Parent or Guardian,

A review of Woburn Public School's special education programming is being conducted by the Department of Elementary and Secondary Education during the week of November 13, 2017. Your input on the Special Education Parent Survey will help determine how well your district is meeting state and federal requirements.

If you would like to participate in the survey, you may contact me at [erin.vandever@doe.mass.edu](mailto:erin.vandever@doe.mass.edu) or 781-33-3725 to receive the survey link. Your participation is important to us, so please contact me and then complete the survey by November 10, 2017. A summary of responses from all parents completing this survey will be used to evaluate the district's efforts to meet requirements for special education.

Thank you very much for your help in making this program review successful.

Sincerely,

Erin VandeVeer
