

Hot lunches cost \$1.70 daily. You may pay weekly or monthly for your child's lunches. Prepaid amounts are taken any morning, before 10:00, in the cafeteria.

If your child's account is in the negative prepay needs to be done in the morning so the account can be adjusted before lunchtime.

	<b>Full Price</b>	<b>Reduced Price</b>
1 week	\$8.50	\$2.00
1 month	\$34.00	\$8.00
1 term	\$76.50	\$18.00

---

Students do not have to purchase a hot lunch everyday to use the prepay system. Days not used are carried over throughout the school year. Make sure you have the child's first name (no nicknames) and last name (if it doesn't match the check) and pin number on the check. Checks must be made payable to the **Apollo School Cafeteria**. This often saves many tears due to lost money. Please designate which account you would like the funds put into (write on the check):

- Lunch Account - if you want it to go into the lunch account.  
Cash Account - money placed in Cash Account may be used for lunch OR snacks.

---

**Applications for free or reduced-meals are available in the school office.**

Apollo serves breakfast and lunch in the cafeteria. Breakfast is available to all students beginning at 7:30 am. Regular lunch is \$1.70. Students who bring lunch may purchase snacks and/or drinks. Students are allowed 2 'credits' on their account before they receive the Peanut Butter and Jelly lunch. A Peanut Butter and Jelly sandwich is provided by the PTO for those forgetting lunch or lunch money after the 2 credit limit is met.
