

# WESTSIDE CAFETERIA

## **The Food and Nutrition Department Mission Statement:**

The mission of the Food and Nutrition Department, as a part of the Hernando County School System, is to make the cafeteria a safe environment for the youth of our community; to foster their growth physically, socially, and academically. In addition to our primary concern for students, we are also sensitive to the needs of parents, the community and all employees of the Food and Nutrition Department, including the staff in each school.

Long gone are the days of mystery meat. Westside's cafeteria serves fresh salads, and a variety of healthy breakfasts and lunches that are healthy, nutritious, and delicious. See you at lunch time!

Westside's cafeteria staff wants to remind all parents of the availability of our free and reduced-priced meal benefits. Please call us for more information. 797-7080 x 205

### **BREAKFAST:**

Student Breakfast costs \$1.00 a day.

Reduced-priced Breakfast costs \$.30 a day.

### **LUNCH:**

Student Lunch costs are as follows:

\$1.70 per day

Reduced-priced Student Lunch costs \$.40 per day.

Adult lunch costs \$2.75

**DISCOUNTS:** Due to the increase in food and delivery costs, we will not be offering a discounted meal program this year. This is in lieu of increasing meal prices for this year. You may still pre-pay money to your student's account by cash or check.
