PARENT INPUT FORM
CLASS PLACEMENT FOR 2014-15

Student Name _____

Current Grade _____ Current Teacher _____

The Enterprise staff supports the fact that parents have a vital role in their child's education. We welcome input about your child for the coming school year. Additionally, input from the current classroom teacher, the activity teachers, the counselor, the exceptional education teachers, and the administration all help determine the placement of students at Enterprise.

Requests for a specific teacher cannot be accepted. A great deal of time and consideration is given to the make-up of the classroom for the best possible grouping of all students. No forms received with a teacher request will be included for input. Please let us know any specific need your child may have so we can match teacher strengths to student needs. Thank you for your cooperation as we work together to provide the best education for your child.
