# Infinite Campus Parent Portal Access Request

## U-46 Infinite Campus Parent Portal Access Request

Starting with the 2012/2013 school year, School District U-46 will transition to a new student information system known as Infinite Campus. One of the features of Infinite Campus is an online portal that will allow parents, teachers, and students a place to communicate and review information. This can include registration, scheduling, attendance, assignments, and grades.

In order to ensure the privacy and safety of your child's information, U-46 is requiring parents and guardians to confirm their custody/guardianship before portal access is granted.

Please complete the form below. In order to gain portal access each parent/guardian listed *must be the student's legal guardian*. To save time, you can submit both household guardians' names on the same form. Fields marked with \* are required.

If you do not have an e-mail address, you can sign up for a free account at one of the following sites: [G-Mail](#), [Yahoo](#), [Live](#), [AOL](#).

Parent/Guardian 1	Parent/Guardian 2
Parent/Guardian First Name:*	 
Parent/Guardian Last Name:*	
Parent/Guardian Birth Date: MM / DD / YYYY	
Parent/Guardian E-mail:*	

**This electronic form is used to verify guardian information before portal access is granted.**

List each of your students below. Access is granted per student by their individual school. You will be notified by e-mail when each individual student request has been reviewed. **All fields below are required.**
